Tuesday 12th May 2020

Dear Parents/Carers,

As you will know the Prime Minister announced that schools may be re-opening on 1st June for children in Reception, Y1 and Y6.

At this stage it is very much in discussion with the government and local authority and no firm decisions have been made. As you can imagine, there is much to be taken into consideration before a phased opening of the school can take place.

In the short term, the school will continue to provide for our vulnerable and key worker children, in addition to the home learning provided for all other children.

I do understand that some of you may be feeling anxious right now, but please be assured that the safety of children, staff, parents and the community will be a priority in managing a return.

Thank you all for your continued understanding in this ever changing situation. I will keep you informed of any developments, once further information and guidance is received.

I hope you all continue to stay safe and well.

Best wishes

Miss Audrey Daley
Headteacher
