Children Back to School

We are delighted to have all of our wonderful children back to school this week. Our school is busy with learning and play once again! Children across the school have taken part in many activities to help settle them back, including yoga, mindfulness, making spaghetti towers and lots of craft activities.

Pear class created lovely cards for Mother's Day and Cherry class made wind socks and had lots of fun testing them out in the windy weather.

School Attendance

Well done to everyone for getting back to school this week. Attendance for this week was 96.1% which is a great start. Let's keep this up!

Please continue to follow the guidance for reporting any Covid-19 related absences to school. Please report all other absences from school in the normal way, by leaving a voice message on the absence line 0208 997 0619 option 1.

Online Safety Tip

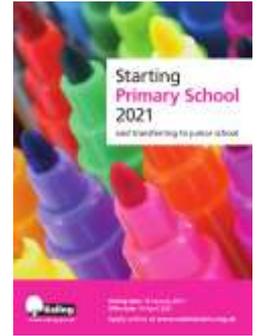

As our children have been spending lots more time using screens for online learning, how about taking a screen holiday this weekend. Enjoy the fresh air or other activities.

Reception Intake September 2021

The offer date for Reception places for September 2021 is Friday 16th April.

You will be sent an email from e-admissions on the day at 5pm, with the place you have been offered for your child.

If you need help with accepting your offer or have any queries, please speak to either Mrs Bougouizi or Mrs Vaux when we return to school after the Easter holiday.

Parent Support Zoom Meeting

Please join in for a parent support zoom meeting on **Thursday 18th March at 10.30am.**

Parents will be sent the meeting link by text message, a day before the zoom meeting.

Come and feel connected with other parents and get some help with supporting your child returning to school.

This session is held by Helen Thorp the Counselling Services Manager who runs the Space.

Perivale Parliament

Perivale Parliament had the opportunity to meet with two school Governors today.

Children talked about their role as a Perivale Parliamentarians and what their responsibilities involve.

They also got to learn about the role of governors and asked lots of questions, such as, Why did they become governors? Why did you choose Perivale primary school? What is the hardest decision you've had to make as a governor?

The children enjoyed the experience of learning about how decisions are made in school.
