School Attendance

Congratulations to Orange class for 100% attendance for week beginning Monday 3rd May and to Lime class for best class attendance for last week.

Positive learning outcomes for children are achieved with good attendance at school.

Inspirational Leaders

Children took part in a range of fun lessons based on their inspirational leader. This included activities such as making smoothies, how to throw a javelin and writing letters to famous inspirational leaders.

Children and staff worked incredibly hard to produce these wonderful displays.

Parent/Carers are reminded that we are a **NUT FREE SCHOOL. Please ensure that your child does not bring any items of food containing nuts in packed lunches, snacks or birthday treats.**

Thank you for your support in keeping our whole school NUT FREE.
