Perivale Artists

Children and parents are invited to look around our art exhibition over the summer holidays. The art work can be accessed via children's google classroom page.

We hope you enjoy looking at their fantastic art work. Children have been studying famous artists such as Andy Warhol, Claude Monet and Frieda Kahlo.

School Uniform

Parent/Carers are reminded that children must wear the correct uniform to school. Please ensure that if you are purchasing any uniform over the summer holidays, that you refer to the school uniform list on our website.

We will be monitoring uniform at the beginning of the new school year. Thank you for your support.

Y6 Leavers

As part of the Y6 end of primary school celebrations, children took part in an outdoor activity day and a camping experience at school this week.

Children had great fun learning to skateboard, playing aeroball, archery and a construction challenge.

Those children who camped overnight, had a busy but adventurous few days. Setting up tents and having fun with water based games in the hot weather.

All our children developed team building skills and confidence which we hope will help them as they move to high school in September.
