afternoon nursery)**

**Easter Holiday
Monday 4th April -
Monday 18th April**

**Back to school/
start of Summer
Term**

**Wednesday 20th
April**

Perivale Forest School

Children across the school are being selected to take part in our very own Forest School.

'Wild Times' sessions take place in our school field and are led by Miss Lowndes. Children are encouraged to work with others to carry out gardening, den/shelter building, role play, exploration, practical and creative skills tasks.

Skills developed include resilience, team building, creativity and encourage responsibility.

Children have been wrapping up warm and getting their wellies on this term to make natural bird feeders, ready for the Great British Bird Watch this week. They have also continued working on the 'perfect shelter' and how to build this.

School Meals Update

We have recently received concerns from some parents with regards to school meals.

We have listened to your concerns and if your child would like to eat more at lunchtime, they are welcome to ask a member of staff for an additional helping.

Please do speak to a member of staff about any concerns and we will pass these on.

Online Safety Tip

Our pupils know they should tell a trusted adult if they see something online that upsets them. Let's make sure we are always listening.

The Space

Dear Parents

The week of 14th February is **Children's Mental Health Week**. This year's theme is **Growing Together**. We will be exploring the idea that we grow and change all the time and we are aware of our physical growth but less aware of our emotional growth. Challenges and trying new things can help us grow emotionally.

I am holding a Parent workshop on **Thursday 3rd February at 10am on zoom** where I will introduce the theme in advance of me talking to classes the week after. Please do join me if you are able. I will also be letting you know about the work I do in the school. If you are not able to join me, you can call/text me on 07429 654584 or email me hthorp4.307@lgflmail.org

The link to the workshop will be sent via text message a day before the meeting.

New Parent Governor

We are pleased to confirm that Shabnam Khan-Bhandari has been elected by the parents and carers at Perivale Primary School as our new Parent Governor.

Congratulations to Mrs Khan-Bhandari. We look forward to her joining the governing body of our school.

Perivale Community Hive

Based at Perivale Library, Perivale Community Hive is made up of local residents living in and near Perivale, who have a passion for improving quality of life and well-being within the area.

They would love to hear from you if you are interested in volunteering, have some ideas about how the Hive can help the community or if you would like to run activities or clubs.

Please contact;

perivalehive@yahoo.com
