Coffee Catch up for Parent/Carers

Welcome back to school and the summer term! As Covid restrictions have been relaxed, we are looking forward to seeing more parent/carers at school.

We would like to invite you all to our first '**Parent/Carer Coffee Catch-up**' on **Tuesday 26th April 9.00am - 9.30am in the downstairs hall.**

Come along and have a chat with Miss Daley (Headteacher) and members of the senior leadership team.

Catch ups will be held every two weeks and whilst they are a chance for you to have a chat, they will also be a focused gathering. The first one is 'Communication'.

We'd love to hear your thoughts and any ideas you have for the ways we communicate with parent/carers, so do come along if you can.

If you are unable to make the coffee mornings, please do stop and chat to the members of staff who stand outside every morning and at the end of the school day.
