Diary Dates

School Attendance

Whole school attendance currently is 93.4%. The government target is 96.1% so let's make an effort to improve this.

Best attendance for last week was awarded to **Cedar and Elm** classes.

KS2 winners were **Sycamore**.

Well done children, let's all try to improve

Y4	Wednesday 29th June - Y4 Trip to Hampton Court Palace

Y5	Tuesday 19th - Wednesday 20th July Ace Adventure Camping Experience at Perivale Primary
Whole School	Last day of the school year. School closes at 1.00pm

Coffee Catch Up Notes

Thank you to all those parent/carers who were able to attend the last meeting. Once again, we had a good turnout of parent/carers.

Parent/carers were invited to think about workshops that will be beneficial to them for the year ahead at school. Suggestions included Mother's & Father's day workshops and to continue with the curriculum workshops, such as phonics, maths etc

Miss Daley also updated parents regarding plans to improve the early years playground. Once the development plans have been signed off, they will be shared with parent/carers.

Next meeting is on Tuesday 5th July 8.50am in the downstairs hall. We look forward to seeing you.

Platinum Jubilee Celebrations

The whole school enjoyed the special Platinum Jubilee celebrations, with activities and a picnic in the field. Children made crowns, flags, bunting and sun catchers of the Queen's head. In Year 1, they wrote a letter to the Queen telling her about our learning this year and asked her questions about her life. We also learnt the lyrics to 'God Save the Queen'.

Y6 Trip to Legoland

Last week Y6 went to Legoland and we had so much fun! We went on lots of different rides with our friends and teachers - some were scary and some were amusing.

One of our favourite rides was Mia's Adventures which swung from side to side and it went extremely high; we were laughing and putting our hands in the air.

After we had finished the exciting rides, we went to the workshop where we learnt about the science behind rollercoasters and then built one with lego and tracks.

We were so keen to show everyone our creations. Year 6 had the best day EVER!

NURSERY PLACES AVAILABLE FOR SEPTEMBER 2022

If your child will be 3 years old by 31st August 2022, or you have a friend or neighbour who has a child of this age, they will be eligible to join our nursery.

Please contact the school office for more details of how to apply.

Online Safety Tip

The news you see online or social media isn't always going to be accurate and it can be hard to tell what's real and what's fake.

Some websites will report fake news or things that aren't completely true. They might do it because they want to scare you or make you do something or make money from people visiting their site.

Make sure you always;

- Check the source
- Look for evidence
- Don't decide straight away

Forest School

This week, we had a new group of children embark on their Wild Time adventures. They kick started their sessions exploring minibeasts, insects and birds - using magnifying glasses and binoculars!

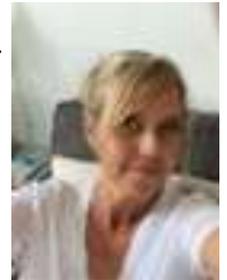

What a wonderful time they all had spotting bees, ants, spiders, snails and they were even lucky enough to have a visit from the local cat! They are very excited to do some crafts and cooking in the upcoming weeks!

School Counsellor

Dear Parents

I am writing to let you know that I will be leaving my role as Therapeutic Lead at Perivale Primary school at the end of this academic year. I am sad to be leaving, it has been a real honour to work with you all and your children over my 4 years of being at the school. I am going to miss everyone so much. I have let the children know that I am leaving in an assembly on Thursday 9th July.

It is important that you know that the Schools Counselling Service will continue at Perivale with a new Therapeutic Lead. Once this person is in post, I will be introducing them to you.

I am holding a parent workshop where we can focus on helping our children with difficult behaviour. This will also be a chance to say goodbye. The meeting will be held via Zoom on Thursday 23rd June at 10.30am. The link will be sent out to parent/carers the day before the meeting.

I am still available for the rest of June and July and if you would like to meet me for a confidential and non-judgemental chat about you, your child, or any other worries, I am available on Thursdays 9-10am. You can call/text me on 07429 654584 or email me at: - heen@schoolsounsellingpartnership.co.uk

Bright Smiles at Perivale

Children from Nursery, Reception and Y1 had a visit from Adele, the Oral Health Promoter/Educator. The children learnt the importance of brushing their teeth for 2 mins, twice a day.

Children enjoyed the chance to show off their brushing skills which was modelled by Adele. The children also learnt about eating healthily and avoiding sugary foods.
